NEW EXPLORER BASE GIFT OF MERRIAMS

Finance Campaign In Progress

Momentum is gaining in the important drive for \$575,280 for operating funds for the Council. Virgil E. Gunlock, general campaign chairman, indicated the success of the campaign will depend on the dedicated efforts of every Scouter in the Council to not only give generously but work actively in the campaign.

"I urge every Scouter who believes in the fundamental greatness of our movement," said Gunlock, "to talk about the vital purpose of our campaign to everyone within his sphere of influence. Only by a concerted effort by all can we obtain the funds necessary to our important mission in the Chicago area."

Bryan S. Reid, Jr. New Council President

National president Ellsworth H. Augustus (right) extends greetings to Bryan S. Reid, Jr. (left), new Council president and Wayne A. Johnston, who retired after 10 years as president of the Council at the January 27th Annual Meeting. Other officers elected were: R. Douglas Stuart, honorary president; Harold E. Brooks, Virgil E. Gunlock, Hon. Otto Kerner, John H. Sengstacke, John G. Sevcik and Arthur M. Wood, vice presidents; Paul W. Guenzel, treasurer; Sidney Wanzer, III, Scout Commissioner; Allen W. Mathis, Jr. and Major General Lloyd Moses, deputy Scout Commissioners; Wayne A. Johnston, chairman of the Advisory Board; B. E. Bensinger and Henry W. Meers, vice chairmen of the Advisory Board. Reid served as chairman of the Executive Board last year.

Forestry, Conservation, Field Sports Featured

"There is a new day ahead for Exploring in the Chicago Area Council," according to Bryan S. Reid Jr., president of the Council, as he acknowledges the new Explorer Camp located near Wautoma, Wisconsin, which is the gift of Charles J. and Ethel S. Merriam. Announcement of the acquisition was made at the Council Annual Business Meeting on Saturday, January 27, at McCormick Place.

Fred W. German (left) and Alban Weber were among the first official party inspecting the newly acquired Explorer Base which includes this waterfront facility. Others in party were: Bryan S. Reid, Jr., Saul Bloch, Stanley E. Leibovitz, Vernon W. Templin, Whit Lloyd, Alden G. Barber, John M. Claerhout, Joseph L. Anglim, Joseph J. Davis, Richard K. Hile, Gray Sterling and Ronald Wilson.

We're Now the Chicago Area Council

The official name of our Council was changed, as a result of action at the Annual Meeting on January 27th, from Chicago Council to Chicago Area Council. This more accurately describes our territory which includes 19 communities in addition to the City of Chicago. They are listed in the COUNCILER masthead above.

In other action by the board, the positions of chairman and vice chairmen of the executive board were eliminated with the adoption of new articles of incorporation.

Wayne A. Johnston retired as president of the Council after ten years of dedicated service in that position. He is president of the Illinois Central Railroad and serves as a member of the Regional Committee and executive board of the National Council.

MERRIAM'S INTEREST IN SCOUTING

In presenting the new base to the Council, Mr. Merriam, prominent Chicago attorney, indicated that he had a long standing interest in Scouting and its camping program. It is his hope that the property might stimulate young men to a keener interest in nature and particularly forestry and conservation, which is so important to the future of our country.

The base, unnamed at the present time, is 200 acres in size with a 30 acre spring-fed lake typical to that part of Wisconsin. The lake contains a good stock of fish. There are approximately 68,000 Norway Pine trees which range from one growing season to 15 years in age, and approximately 95 to 100 acres of oak woods. A ranger, John Roy, has already been employed.

EQUIPMENT INCLUDED IN GIFT

Building features include the ranger's home, residence for a seasonal program director, two-story barn which has been converted for recreational purposes, beach house, small fleet of boats, fishing and other water sport equipment as well as a jeep and farm implements. The ranger's home, and the program director's residence are completely furnished with household appliances and accessories.

1,200 ACRES AVAILABLE TO EXPLORERS

Mr. Merriam, at the time of his gift to the Council, contributed several adjoining tracts of land totaling 1,000 acres to the University of Illinois. Tree plantings on this land total almost 800,000 pines in various stages of growth. Through an agreement with the University of Illinois and the Executive Board of the Chicago Area Council, the entire 1,200 acres may be used by Explorers.

EXPLORER CABINET INVOLVED

The program for Explorers which will take place on the property will be the result of a visit to the site by the Council's Explorer Cabinet which is scheduled within the next 30 days.

District Commissioner F. E. Henderson
District Executive Andrew Johnson

Along the Scouting Trail

By ALDEN G. BARBER

The feature story on page one indicates the possibility of an exciting future for Exploring in the Chicago Area Council beyond the great work already done.

It is our hope and intent to create strong boy involvement in Exploring through District and Council Explorer cabinets. Our present plans for the new Wautoma property are waiting until delegates from the Council cabinet can visit the property and tell us how they feel it should be developed and used.

Chicago is the birthplace of Sea Exploring and with the arrival of our new Director of Activities and Exploring we hope to be able to give more support and help to the 40 Sea Explorer Ships now active. (We want this phase of Exploring to flourish.)

May we urge each district to be sure that its district cabinet is organized, active and ready by March 1st.

Is your Unit signed up for the "Do Your Best For America" Achievement Program? If not, contact your Neighborhood or District Commissioner before March 1st to get full credit in the Program.

Exchange Program With British Scouts Set

Twenty-two Councils of Region Seven will participate in a Guest-Host Exchange project this next summer. The Chicago Area Council will provide the opportunity for a patrol of six boys and a leader to take part. The cost for each participant is \$400 or \$2,800 for the entire patrol.

This is a program for Scouts and Explorers from Councils throughout Region Seven to visit Great Britain as guests of Boy Scouts. In exchange, Scouts of Great Britain will visit the United States and Region Seven as guests of Scouts in local Troops or Posts. In order to qualify, a Scout or Explorer must be first class or higher in rank. The adult leader must be of the maturity expected of a man charged with the conduct, welfare and safety of boys assigned to him. The Scouts will leave on August 1 and return on August 29.

Unit leaders who have Scouts who might qualify for this high adventure should write to the Council Service Center.
